Round 1 – Race 2 Toban Raceway Short

2nd March 2019

Steward's decisions

Vozniy vs Linstruisier L5 – Linstruisier has a run on Vozniy and got his nose alongside Vozniy's rear, but not enough to claim racing room. Vozniy tries to defend but does so too late - when he is not clear of Linstruisier and initiates the collision. Both parties share some blame for the incident. This is therefore judged to be a racing incident.

No penalty will be applied.

As per the racing rules, Vozniy did not have to wait for Linstruisier as he was not solely at fault in the accident, nor did he gain a position due to unfair advantage.
